In cooperation with The Southern Sleep Society, BRPT will offer the first BRPT-sponsored Board Review course during the Southern Sleep Society Meeting. The Board Review Course, entitled “The Pathway To Your Credential”, runs concurrently during the afternoon session of the Southern Sleep Society’s Technologist Course, titled “**From Professional Development to Professional Distinction: Meeting the Challenge of the Future Through Innovative Pathways**”. Participants will earn a maximum of **7.5** BRPT Continuing Sleep Technology Education (CSTE) credits, AAST CECs, and AARC CEUs for attending morning and concurrent afternoon sessions. All participants may opt to attend the Southern Sleep Society meeting March 30-April 1 for an **additional 14.5** continuing education credits. Register below for all available options.
